

Glocester Residents

I would like to report that the first year of our Farmer's Market was a success.

We have learned from the experience and will put that knowledge to good use for next year's Farmer's Market.

Early next year, I will contact interested vendors and we will all get together for a strategy meeting on how to improve our market.

If you will be interested in participating next year please send me your email address at jeanfecteau@glocesterri.org or call the Town Clerk's Office with your contact information at 568-6206 ext. 201.

I thank all the vendors who participated and everyone who supported our market by stopping by.

Jean M. Fecteau, CMC, Town Clerk
